

# VAISHNAVI DHARMAPURI

CS | AI&ML

## ABOUT ME

Motivated engineering graduate with strong foundations in programming, data structures, algorithms, and problem-solving. Passionate about building real-world solutions through technology and analytical thinking. A quick learner with excellent communication, adaptability, and teamwork skills, strengthened through academic projects, certifications, and competitive events.

## EDUCATION

### Bachelor of Technology

CMR Engineering College, Hyderabad  
• (CGPA: 7.5, 2025)

### Intermediate

Page Junior College, Himayathnagar  
• (83%, 2021)

## SKILLS

- C, C++, Python, Java
- Data Structures, Algorithms, OOPS, Problem-Solving
- HTML, CSS
- MySQL, MS Excel, VS Code, Git Hub (Basics)
- Windows, Linux (Basics)
- Cloud Computing, Machine Learning, Software Development

## ACHIEVEMENTS

- Participated in Smart India Hackathon
- Active Member – NDLI Club
- National Intellectual Property Awareness Mission (NiPAM)
- Represented college in tech events and coding challenges

## WORK EXPERIENCE

### AWS Edu Skills AICTE Virtual Internship

Remote

- Hands-on exposure to cloud computing, AWS services, EC2, S3, IAM, and virtual networking.
- Completed real-world cloud tasks and gained experience in deploying applications on cloud platforms.

Remote

### Independent Computer Science & Programming Tutor

- Tutor students in Python, core Java, and introductory Computer science, emphasizing intuition, hands-on practice, and project-based learning.
- Design mini-projects (ETL, basic ML models, dashboards) to strengthen problem-solving skills and prepare students for technical interviews.
- Guide students in using GitHub for version control, project structure, and professional portfolio building.

## CERTIFICATIONS

- AWS Academy Cloud Foundations
- Cloud Computing Certification
- Machine Learning Certification
- AWS Edu Skills AICTE – Virtual Internship
- Cisco Certified Network Associate (CCNA)
- LPI Linux Essentials
